

Birkwood Primary
School
Foundation Stage

Superheroes, Fairies
and Winter.

During our topic of Superheroes, Fairies and Winter, the children will learn about the different festivals that happen throughout this time of year such as The Chinese New Year (January 23rd). They will be investigating materials and their different properties. They will be adding and subtracting in a variety of ways both inside and outside. They will be designing and making superheroes and experience working with a variety of materials as they weave, make models and explore a range of creative making tasks which will be displayed within the foundation stage. The children will also be learning about Chinese New Year and will be investigating artifacts and tasting food from China as well as making and tasting healthy food from all over the world. We hope you enjoy this topic as much as we do!

If you have any books or artifacts relating to our topic please share them with us.
