

Year 3 Foxes Remote Timetable (Spring 1)

This timetable serves as a guideline of the format our lessons will take on a daily basis. We advise, where possible' that children try to follow the set lessons, in order to replicate the work that we will be doing in school. During 'Live Lessons' teachers will be available to offer feedback and support to children during the lesson (Highlighted in red) however, feedback and support will be available specifically between the hours of 8am and 4pm.
