Privacy Notice (How we use Governor/Volunteer Information)

Updated April 2023

Under data protection law, individuals have a right to be informed about how Birkwood Primary School uses any personal data we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about individuals working with the school in a voluntary capacity, including school governors.

We, Birkwood Primary School, Darfield Road, Cudworth, Barnsley, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Tim Pinto (see 'Contact us' below).

Why we use this data

The purpose of processing this data is to support Birkwood Primary School to:

Use of your personal information for marketing purposes

Where you have given us consent to do so, Birkwood Primary School may send you marketing information by email or text promoting Birkwood Primary School events, charitable causes or services that may be of interest to you. You can withdraw consent or 'opt out' of receiving these texts and/or emails at any time by contacting our Headteacher Mrs Julie Allen

Our lawful basis for using this data

We only collect and use personal information about you when the law allows us to. Most commonly, we use it where we need to:

- Comply with a legal obligation

Less commonly, we may also use personal information about you where:

- You have given us consent to use it in a certain way
- We need to protect your vital interests (or someone else's interests)

Where you have provided us with consent to use your data, you may withdraw this consent at any time. We will make this clear when requesting your consent, and explain how you go about withdrawing consent if you wish to do so.

Some of the reasons listed above for collecting and using personal information about you overlap, and there may be several grounds which justify our use of your data.

Collecting this information

While the majority of the information we collect from you is mandatory, there is some information that you can choose whether or not to provide to us.

Whenever we seek to collect information from you, we make it clear whether you must provide this information (and if so, what the possible consequences are of not complying), or whether you have a choice.

How we store this data

Personal data is stored in accordance with our data protection policy/schools retention schedule.

We maintain a file to store personal information about all volunteers. The information contained in this file is kept secure and is only used for purposes directly relevant to your work with the school.

When your relationship with the school has ended, we will retain and dispose of your personal information in accordance with our schools retention schedule.

Should you wish to see a copy of the schools retention schedule please contact our Bursar Suzy Savage in the school office.

Data sharing

We do not share information about you with any third party without your consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about you with:

- Government departments or agencies – to meet our legal obligations to share information about governors
- Our local authority – to meet our legal obligations to share certain information with it, such as details of governors

Personal data of Governors and volunteers may also be shared with NHS/Public Health Agencies where relevant to the Covid pandemic

You may also have a right for your personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact our data protection officer.
